SCHOOL COUNCIL

Please remember a very important school council meeting will be held next Friday the 26th of July at 9.00am at the school. Thank you for your support!

VOLUME 7. ISSUE 1

19.7.2019

Welcome to Term 3!

A big welcome to Term 3 to everyone.

The school term has begun with a blast as we begin to celebrate 50 years since man first landed on the moon!

This term we will be learning all about the moon, the astronauts, rockets and the important role Australia played in this most inspiring human accomplishment.

The count down is on until August the 19th when we will celebrate in style by launching our own rockets. We can't wait to share in this special experience with you so keep the date free.

Also this month we will hold our first "Friends of Navarre Primary School" meeting for the year. During this special day we will have the Royal Flying Doctor Simulator visiting our school, so once again mark this date in your calendar to ensure you are free to share in this fabulous learning opportunity with your children. The entire community is invited to attend this special get together, so feel free to invite friends and family along.

We will keep you up to date with our learning as the term progresses through our newsletter, face book page and website.

I am glad to report that Daniella's health is improving and we are hoping to have Mrs Holland back at school on the 6th of August. We continue to send them both our love and best wishes for a timely and full recovery.

As a direct result of our student voice during our "Designing our Future" workshops we have employed Mr Lloyd Kennedy. Lloyd's passion is the STEM subjects. He will visit the school each fortnight for one day. During these days the students will participate in a range of exciting STEM related learning activities. Lloyd will play a pivotal role in our rocket launch! Welcome to Navarre Lloyd, we are so excited to have you as a part of our team!

As you can see we have a full and exciting term of learning planned, so get on board and help us to steer this ship into an exciting future!

Student Led Conferences

Our students will conduct their learning conferences next Wednesday and Thursday afternoon after school. During these conferences the students will present their portfolios and with your input, we will review last terms learning goals and where appropriate set new learning goals for term 3. You will also be provided with an opportunity to discuss your child's semester 1 report. Please come along prepared with any questions you may have about your child and their learning. We look forward to your feedback.

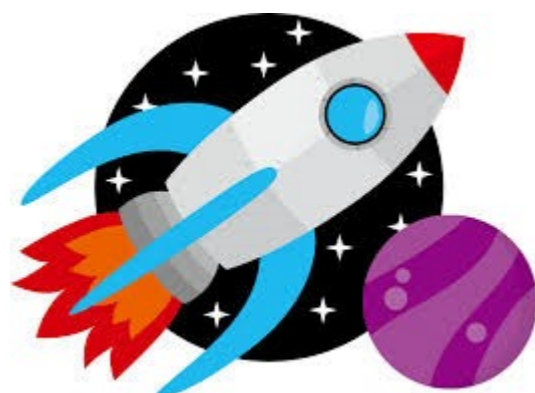

Please book a time from those below with me as soon as practical. It is preferable to have siblings follow each others time slots and that those who have to travel take the times straight after school, to avoid more than one trip. Thank you.

Wednesday the 24th of July

Time	Student Name
3.30- 4.00pm	
4.00-4.30pm	
4.30-5.00pm	
5.00-5.30pm	

Thursday the 25th of July

Time	Student Name
3.30- 4.00pm	
4.00-4.30pm	
4.30-5.00pm	
5.00-5.30pm	

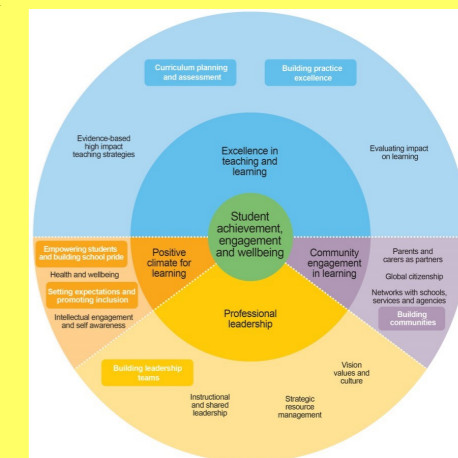

School Council

The next meeting of our school council will be held on Friday the 26th of July at 9.00am in the art room.

We are entering a very exciting time for our school council as we begin to action the projects that were prioritised at our last workshop “Designing our Future” and continue to reflect upon where we are at, in accordance with FISO, (the Framework for Improving Student Outcomes), in preparation for our school review.

We look forward to meeting with you all and enjoying a productive time of planning together.

Cleaning

Term 3	Week 1	Term 3	Week 2
Monday:	Blackham Family	Monday:	Atherton Family
Tuesday:		Tuesday:	
Wednesday:	Abbott Family	Wednesday:	Sweeney Family
