VOLUME 7. ISSUE 3

16.8.2019

**A community of learners!**

As I sit to write this fortnight's newsletter I feel so proud and excited about all that is happening at our school, and the fabulous community of learners we are creating.

This week we enjoyed a wonderful visit from Royal Flying Doctor's simulator, which we shared with our friends from throughout the community.

The children showcased their prior learning to Tom and then had the opportunity to build upon this learning through the morning's activities. Following Tom's visit the children have been reflecting on their learning by writing about their experiences of the visit.

I thought you would like to read their thoughts, so I have included some for your enjoyment.

This is me. I'm dressed as a Captain of the Flying Doctor's aeroplane I felt fabulous, everybody thought I looked cute. Tom taught me how to fly a plane. It felt awesome! Jack (F)

My name is Sam. I was on the aeroplane and I looked at the stethoscope and I looked at the teddies and I was so happy on the aeroplane! Sam (F)

My name is Eva. I am new to the school. This is me flying the plane. When I was flying, the plane went upside down. Samantha checked my heartbeat. She told me it went boom, boom!!! I put big earphones on. I listened to Hannah talk.

I loved it! Eva (1)

# More RFDS.

This is me, Sarah.  
 Jack is checking my heartbeat.  
 It tickled me and made me laugh.  
 I listened to Sammy's heartbeat. I could hear the beats!  
 I went on the simulator. I flew the plane on a game. I felt excited. (1)

This is me, my name is Bailey. I went on the simulator. I played on the simulator. When everyone came inside the school it was lunch. Everybody had a BIG lunch. I had some cake. My highlight of the day was the sweets. (1)

My name is Hannah. The Royal Flying Doctors came to Navarre Primary School on the 13th of August, on a Tuesday.  
 Tom from the RFDS told the community about John Flynn. John Flynn is on the \$20.00 note. I hope the people from the community learnt new things about John Flynn.  
 After that we went outside to plane that had no wings. We got to play a game at the front of the plane. The game taught you how to fly a plane. I loved it but Jonathan loved it more!!! When we got inside there was sooo much food, I enjoyed it! (5)

*Thank you*

*A big thank you goes to Chris Parfitt for volunteering to cover the children's workbooks and our new library books. Your work has ensured a long life for these valuable and finite resources. Thanks Chris!*

*Thank you to Steven, Theo and Lisa for helping the children to get their garden beds in order in preparation for Spring planting. This is a big job and we appreciate your kindness in helping us.*

*Please note we will continue to work on the garden beds over the coming weeks, so if you have some spare time to drop into the school and give us a lending hand we will be very grateful.*

*Thank you to the wonderful members of our community that supported our visit from the Royal Flying Doctors, it was a fabulous community event, made more special by your attendance and the delicious food you bought along to share.*

*It is wonderful to be able to share our learning with the whole community after all—we are a community of lifelong learners!*

Cleaning

Term 3 Week 6	Term 3 Week 7
Monday:	Monday
Tuesday: Sweeney Family	Tuesday: Abbott Family
Wednesday:	Wednesday
Thursday: Sweeney Family	Thursday: Abbott Family
Friday:	Friday:

Thank you to the Parfitt, Scott and Atherton families for cleaning the school so beautifully during the past three weeks, we really appreciate your work and the pride you have taken in ensuring our school is clean and hygienic.

The RFDS

**This is me, my name is Ellie.**

**I went on a simulator to learn how to fly a plane. While I flew the plane I found it hard to keep it straight. The highlight of the day was to learn about the history of the RFDS. I learnt that the man on the \$20.00 note is the Reverend John Flynn. The RFDS treat 300,000 people per year. We had a party. It was awesome! I felt wonderful at the end of the day because I had a great day.**

**Ellie (3)**
