School Council

The final School Council—Friday the 11th of December at 9.00am

VOLUME 8. ISSUE 4

27/11/2020

Final weeks of school for 2020.

I am so proud of everyone at the moment. The pressure is on, but everyone is rising to the challenge to make the end of the year special for each and everyone of our students, and at the same time support them to reach their potential with their learning.

Our students are working incredibly hard preparing their portfolios for student led conferences. They can't wait to share their learning with you.

Our grade six students are working diligently to prepare their graduation speeches and powerpoint presentations in readiness for their graduation.

Fortunately, the restrictions have been lifted just in time for us to be able to go ahead with our Pyrenees Cluster graduation.

That means our students, their parents and teachers will gather at the Avoca Golf/Bowls Club for a dinner on **Monday the 7th of December at 6.00pm**. The students will share a meal with their peers from the cluster and present their graduation speeches. The meal will cost \$28.00 for adults. The school will pay for the students. The students will each receive a special presentation on this night and the local newspaper will be in attendance to take photos.

Graduation nights are just so special and create life time memories.

Statewide Transition Day

Due to lifting of restrictions we will be able to offer a shortened transition day on the official Statewide Transition Day on Tuesday the 8th of December for both the 2021 Foundation students and our Grade 6 students.

Grade Six Transition Day

Following their graduation night the Grade Six students will travel into Stawell Secondary College on the regular school bus and arrive at 9.00 am. They will be greeted at the bus shelter and escorted to the Assembly Hall.

Students will participate in a 90 minute T20 maths competition.

Students will have access to the College canteen prior to departure at 10.50am.

Students will then be returned to Navarre Primary School for an afternoon of learning.

Please complete the enclosed forms and return to school by the end of the week.

Foundation Students

The foundation students will participate in a full morning of learning including having a play at recess with our students. They will depart for home at 12.00pm.

Photographic Permission

Please find a **Authorisation for the Publication of Student Photographs, Videos and Work** form for completion.

If you have a foundation student beginning next year please complete this form in readiness.

Thank you.

Halls Gap Zoo Excursion

As a special end of year treat we have arranged an excursion to the **Halls Gap Zoo** for **Wednesday the 16th of December.**

You may remember we tried to take the whole community last year and it ended up a code red day and we had to cancel.

Lets hope this doesn't happen again!

The children will travel in a bus driven by Powers Bus Lines from Avoca.

We will leave school at 9.30am and return at approximately 3.00pm.

Permission slips are enclosed and need to returned to school by the end of this week.

The students will need to wear full school uniform including hat and bring at least two bottles of water and snacks and lunch for the day.

Daryl from the **Terry Floyd Foundation** has kindly offered to pay the entry costs for the students. We will thank Daryl in person when he visits our school this coming **Thursday.**

School Photos

Due to the restrictions being lifted we are now able to host our annual school photo day.

On Wednesday the 9th of December we will have our annual school photos taken. Please see the enclosed forms for advice on how to order either online or on the day at school.

Please complete the forms and return to school by the end of this week.

Students need to wear a clean full school uniform on this day and their best smile of course.

School Council

The final School Council meeting is incredibly important, so I hope you can all attend on **Friday the 11th of December.**

We will continue to wear our masks and be socially distanced.

Please let me know in advance if you cannot make it as we need a quorum to be present to move all our plans for the 2021 school year. Thank you for your support.
